New School Menu

- Please fill in the dinner menu and return it to school by Tuesday 27th March. If we get most of the menus back by then this new menu should be able to start on Monday 23rd April (the second week back after the Easter holidays).
- If your child is not on dinners at the moment but would like to change on to dinners, please fill in this menu and hand it into the School.
- If your child is on dinners and would like to change onto packed lunch after the holidays, please contact the School Office, either by popping in or by email on school.office@lanchesterep.net. If you do not inform the School that your child is changing to packed lunches, you may still be charged for meals.
- If we do not receive a menu back from your child by 27th March, and have not been informed that they will be on packed lunch after the holidays, they will be given a default vegetarian pattern.
- If the menu is returned with some days not circled, then your child will be given a sandwich on that day.
- For those with diagnosed allergies, or special menus, please mark this on the menu when it is returned.
