

Wrap Around Care Booking Information for After Half Term

How to book your child's place – updated information.

There are three ways you can book your child's place onto our wrap around care:

1. Book on in advance via the online form ([Wrap Around Care Form](#)) - the office will be alerted to the booking and will manually update your ParentPay account with the information - this can be filled in at any time.
2. Book your child into a session by Sunday 10.00pm via ParentPay (please note that the club until 4.30pm is called 'After School' and the club until 5.30pm is called 'Afternoon') - you will need to pay for any sessions booked this way when booking them in.
3. If you need to book your child into wrap around care after Sunday 10pm, you can either fill in the form OR you can email the school office on school.office@lanchesterep.net or phone on 01207520436 to get your child booked in this way.
