

Sun Cream - Nursery & Reception

We play outside in all weathers in the Foundation Stage, so it is essential that your child is well protected in hot weather.

In order for us to ensure that your child does not burn throughout their session at school, we would like your permission to apply Nivea sunscreen factor 30 to your child if we feel it's necessary.

If your child is unable to use our sun cream for allergy reasons, please supply an alternative product for them, ensuring it is clearly named.

Please tick the correct box below to give permission.
