

Lanchester E. P. Primary School

Summer Newsletter (6)

It is hard to believe that I am writing the final newsletter of the year and I am sure that many of you will be wondering where the academic year has disappeared to as well! This half term is busier than ever and every week is completely action-packed so please look out for all the weekly letters.

We also hope that our Year 6 children will look back on these last few weeks together with great fondness as they spend their last half term together as one year group. They are all heading off to many different schools with the majority heading to Consett Academy and St Bede's. We also have some children going to North Durham Academy, St Leonard's, Wolsingham, Tanfield, Woodham School, Durham High School for Girls and Durham School so it really is the end of an era for them all. I am sure that all parents of Year 6 can hardly believe that the time for them to leave us is quickly approaching. Many have been with us since Nursery and, as a staff, we do all become very attached to them.

Equally, we are always sorry to see some of our Nursery children leave us. More than ever are staying and joining us in Reception but, of course, some children will also be transferring to All Saints R.C. School, St Michael's & Benfieldside. Again, we are very sorry to see the children leave us, but know they will enjoy the rest of their education wherever they go. We wish them all the very best and look forward to seeing them around!

One of the great qualities of our school is the excellent relationship we have with you, our families. We really appreciated the help and dedication of our wonderful volunteers on our 14-mile bike ride during Fun and Fitness Week - blowing up tyres, putting seats up and mending punctures, to name but a few of their roles that day. We also had great help on the trips to Newcastle with Year 1, Hall Hill Farm with Nursery and walking to the Library with Reception! I do think our school perfectly demonstrates the great partnership that should exist between home and school. Thank you each and every one of you.

One Sun, One World is taking over our school with the children really throwing themselves into the topic. The auditions were packed with enthusiastic children, eager to do their best and prove what they are capable of. We have some amazingly talented children who you will get the opportunity to see on Wednesday 13th and Thursday 14th July at Consett Empire! The singing is coming on especially well – they sound amazing already! This show really is one not to be missed – further details on ticket sales are to be found later in this newsletter.

The next few weeks really are action packed and exceptionally busy so please make a careful note of all the diary dates whilst also reading all the information contained in this newsletter. Please also remember to check all the weekly letters for information regarding events for the following week.

As always, please do not hesitate to speak to us if there is anything at all that we can ever do to help.

Jane Davis

Staff News

Mrs Race will begin her maternity leave in September and whilst she hopes she will be back for a few days at the start of the new year, her baby might have had other ideas. I am sure she will be more than ready for the summer holidays and a break before the arrival of her second child. I look forward to sharing some good news with you in the new academic year.

We have been very fortunate to have some exceptional students on teaching practice this year and nearly all have managed to secure jobs for the new year. We wish them all the very best for their new careers and thank them all for their dedication and commitment to our school and children during their time with us.

Class Organisation for September 2022

Every year, some very careful planning and discussion goes into deciding where each teacher will be based. This takes weeks of discussion as each teacher has unique skills and each class has unique needs. I am very confident that next year we will have another exceptionally strong teaching team with the prospect of another very exciting and successful year ahead.

<u>Staffing for September 2022</u>		
	Teachers	Teaching Assistants
Nursery	Miss Brown	Mrs Moralee, Miss Tilney, Mrs Newby, Mrs S Davis, Mrs Evans
Reception	Miss Butler & Miss Martin	Mrs Watt & Mrs Nash
Year 1	Mr Innes & Mrs Burke	Miss Honan & Mrs C.Clark
Year 2	Mrs Startup & Mr Osmond	Miss Corper & Mrs Moran
Year 3	Mr Stephenson & Mrs Coyle/ Mrs Sant	Mrs Boyd & Mrs Chambers
Year 4	Miss Jackson & Mr Adamson	Mrs T Clark & Mrs McGilvray
Year 5	Mr Taylor & Mrs Grayson	Mrs Bailey & Mrs Tatham
Year 6	Mr Stoker & Mrs Tate/Mr Knighton	Miss Brierley & Mrs O'Halloran

<u>Class Organisation for September 2022</u>				
	Current Teacher			New Teacher
Reception	Miss Butler		Year 1	Mr Innes
Reception	Miss Martin		Year 1	Mrs Burke
Year 1	Mr Innes		Year 2	Mrs Startup
Year 1	Mrs Burke		Year 2	Mr Osmond
Year 2	Mrs Startup		Year 3	Mrs Coyle/Mrs Sant
Year 2	Mr Osmond		Year 3	Mr Stephenson
Year 3	Mr Stephenson		Year 4	Mr Adamson
Year 3	Mrs Coyle/Mrs Sant		Year 4	Miss Jackson
Year 4	Miss Jackson		Year 5	Mr Taylor
Year 4	Mr Keeton		Year 5	Mrs Grayson
Year 5	Mr Taylor		Year 6	Mrs Tate/Mr Knighton
Year 5	Mrs Grayson		Year 6	Mr Stoker

Year 6 will continue to be split into three classes for the morning sessions and will come back together again as two classes for most afternoons. Whilst they will have new 'registration' teachers, the children will be set every morning for Maths and English. So whilst your child may be transferring to one registration teacher as stated here, they may not actually be taught by that teacher. At the end of this academic year, the staff will be meeting to discuss which group every child should be taught in in the morning sessions.

Mrs Coyle and Mrs Sant will share responsibility for their class with Mrs Coyle teaching Maths and English every morning and Mrs Sant teaching the foundation subjects every afternoon.

Mrs Knighton, Mr Graham, Mr Bailey and Mrs Hamill will continue to teach Music, P.E., Computing and French across the school. Mr McLoughlin and Mrs Riddell will be teaching across the school to give release time to members of the Senior Leadership Team and to cover staff PPA (Planning, Preparation and Assessment) time.

If anyone has any questions at all about these arrangements, please feel free to get in touch with me.

Timing of the School Day for September 2022

Some of you may be aware of new legislation which has stated that the length of the school day must be at least 32.5 hours per week. However, the 15 minutes which we use for the flexible drop off cannot be included in this timing as this is not compulsory teaching time.

We did not want to lose this flexible drop off time as we believe it does ease some of the traffic issues in the village. Therefore, we have to adjust the timing of our school day slightly from September. Therefore the school day will be:

8.30–8.45am	Flexible Drop Off
8.45am	School Day Begins
3.15pm	School Day Finishes

Nursery timings will stay the same as this year, which are:

8.45 – 11.45am	Morning Sessions
12.15 – 3.15pm	Afternoon Sessions
9.00am – 3.00pm	Full Day Sessions

Art Exhibition

All children from Nursery to Year 6 are going to be busy creating artwork over the next few weeks. Some of the designs will then be chosen to go on the cover of the programme for our production of 'One Sun, One World' at Consett Empire Theatre. The theme for the artwork is nature, animals, the world and how we can care for it.

A company called 'Images- School Art Exhibitions' are then going to frame all of the creations so that the children will have their work displayed in a gallery, something to be extremely proud of! We plan on having this on display on the afternoon of Friday 15th July in the school hall as well as at the Summer Fair the day after. You will be able to buy your child's framed artwork as well – they will be £8.00 each, there will be discounts for those of you with multiple children. There will only be one copy of each original artwork, which will be signed by the artist!

Nursery Big Toddle

Nursery's Big Toddle in aid of Barnardo's Children's Society will be taking place on Wednesday 6th July. The children are asked to come into school dressed in sports clothes or as an animal, as there is a jungle theme. Sponsor forms will be handed out soon to our Nursery children. Any donations will need to be handed in to Nursery or the School Office by 15th July. Unfortunately, we will not be able to have any spectators for this event.

From Monday 11th to Friday 15th July, we will be having "Farewell Tea Parties" in the wild for our Nursery leavers, where parents are welcome to come along and play with their children, meet their new Reception class teacher and Miss Dawson will be coming over from All Saints to meet her new starters too. Groups and dates will be organised in the next couple of weeks.

Early Years News

We are holding two Stay and Play sessions for Reception classes this term on Tuesday 5th and Thursday 7th July between 1:30 and 2:45. Sessions are open to both RCM and RSB. To allow us to plan for these sessions, please let us know by **Friday 1st July** if you would like to attend. Please follow the link to the form to sign up here: <https://forms.office.com/r/dz3Nwpyr5L>

Thank you for all your kind donations of clothing, jewellery and assorted items for our EYFS home corners. We are always on the lookout for useful things, so please continue to think of us!

We still need volunteers for our Roker Trip on Tuesday 28th June. If anyone can help, please contact Miss Butler s.butler@lanchesterep.net A trip like this needs lots of supervision to allow us to run it safely. It is a lovely day out, so please consider if you could support us. If anyone would like to take their own transport rather than travel on the bus with their child, please let us know.

Clothing Bin

Don't forget that if you are having a purge of unwanted clothes then you can put them in our clothing bin which is at the top of the yard at the main school entrance. The company organising it make sure that clothes are reused and recycled in order to stop waste and promote eco-friendly practices. On top of doing our little bit for the environment, school will also receive a monetary donation when the bin is full, so this really does benefit our children. Thank you.

Price Increases

We are all well aware of how the increased cost of living, energy and fuel price hikes are impacting our daily lives. It seems that costs for certain things are going up daily and unfortunately our school is not immune to that - we too have been affected by the sharp rise in costs to run the school. Our energy costs have risen by the cost of a member of teaching staff this year...

Unfortunately, this means that we have no alternative to increase some charges slightly from September.

Wrap Around Care Charges

Breakfast - £4.00 per session -this will remain free of charge for those children eligible for Free School Meals.

Afterschool club - £5.00 until 4:15pm. Afterschool club - £7.00 until 5:15pm (5:00pm on Friday)

School Meal Charges

We have also been advised by the local authority that the cost of dinners will also increase to £2.25 per day from September which meals dinners will cost £11.25 per week.

If you have any trouble paying any outstanding amounts to school, please do not hesitate to contact us - we are here to help and would rather have that conversation with you instead of any arrears getting out of control. You can either contact Miss Rippon, our Operations Manager, or myself in the strictest of confidence.

Office News

Year 6 Parents and Carers/Those Leaving Nursery

Please check your ParentPay accounts and ensure that any outstanding amounts are cleared no later than **July 8th 2022**. If you have any credit on the accounts, you can request a transfer to a sibling account or a refund to your Parent Pay account. Please contact: school.office@lanchesterep.net with any requests to move or refund any amounts.

Nut Free School

This is a polite reminder that we are a nut free school. We have a number of children in school with nut allergies, some of which are severe. We therefore ask that you adhere to this policy and do not send your child into school with any products containing nuts. Thank you.

Small Electric Recycling

We are taking part in a Durham County Council competition to encourage recycling of small electrical items. If you have any unwanted items such as freeview boxes, cd players & radios, remote controls, kettles, electronic toys, hairdryers & straighteners, kettles, irons, toaster, scales, tablets & phones etc. then please bring them into the school office - we need to fill the box before 1st July to be in with a chance of winning this competition. Thank you.

School Menu

We have been informed by the Local Authority that there will be a new menu sent out in the next few weeks to start in September. As soon as this comes out this will need to be completed and sent back into school so that we know what we need to order for the first week back. Please remember if you decide that your child wants to change from school meals to packed lunch or vice-versa, you **MUST** email the School Office and give at least two weeks' notice.

School Meals - Year 2 moving into Year 3

Do not forget that if your child is in Year 3 from September and you are not entitled to Pupil Premium then you will be charged for school meals in September at £2.25 per day. If you would like to change your child onto packed lunch from September, please make sure you email the School Office, otherwise you will be charged. Thank you.

One Sun, One World

All children from Years 3 – 6 will be taking part in our musical extravaganza at the end of the summer term in Consett Empire Theatre. The whole school has a real buzz about this show with work taking place in every corner of the school – artwork, costume & scenery making, singing & line learning happening all over the place - the excitement and pride of the children is palpable!

On Wednesday 13th July and Thursday 14th July the performances will take place at 6pm. All children are involved in both performances and need to be brought to the theatre for 5.30pm on those evenings. On Wednesday 13th July, we have the theatre booked for the whole day for rehearsals. All children will need a packed lunch as we will be leaving school for the Empire Theatre at 9.15am in the morning for our dress rehearsal and will stay there for lunch and the afternoon. Children will then return to school to be collected as normal but will need to return to the Empire Theatre for 5.30pm in time for the evening performance.

Ticket Sales

We will be selling tickets for the musical from the School Office from Monday 27th June. Tickets will be £5 per person. We have kept the cost as low as possible but obviously need to try to cover our costs – hire of the theatre, royalty costs, scenery, costumes etc. In order to purchase tickets, you will need to fill in an envelope with the following details:

- Child's Full Name
- Number of tickets required for each performance (this is limited to 4 per family prior to 4th July)

The envelope then needs to contain the correct amount of money for the number of tickets requested or a cheque made out to 'Lanchester EP Primary School Fund'. Unfortunately, we will not be able to sell these via ParentPay. Please note, the office will not be able to give change so you must include the correct money for the tickets. Tickets will not be given out or reserved if payment is not made. Tickets that have been bought will then go home with your child. We aim to do this 48 hours after we have received payment.

Initially, tickets will be limited to 4 per family over the two evenings. This is simply to ensure that ALL families have the opportunity to buy tickets. However, after Monday 4th July, all tickets for both nights will go on open sale for families to buy as many tickets as they would like.

Any parents of other year groups are also welcome to purchase tickets to come and see the show as well.

Each year group are taking different parts – some are trees, others are rats, animals, children of the world, some are thunder and lightning and we have some wonderfully talented soloists who are taking on the roles of Tigers, Polar Bears, Pandas and Cacao. The children, as usual, are showing amazing talent and skill and we know this is going to be another wonderful and memorable event for them all.

Costumes for One Sun, One World

We have an army of staff working hard on the costumes but need parents and carers to provide some items for the show. We ask that these can be brought into school in a named carrier bag from Monday 27th June. Please make sure the clothes are also labelled.

- Year 3 - Black t-shirt and black trousers/leggings
 - Year 4, 5 and 6 - Black trousers/leggings

End of Year Reports and Results

The staff are all very busy writing the children's end of year reports which we aim to hand out on Friday 15th July 2022. At that time, all the statutory test results will be shared. These include:

- Reception parents will be informed about their end of year assessments
- Year 1 parents will find out the results of the phonics screening check
- Year 2 parents will be given the end of key stage teaching assessments
- Year 4 parents will find out about the results of the Multiplication Check
- Year 6 parents will receive the results of the SATs tests.

While we do receive the test results earlier than that for Year 6, these are never shared with children or parents until the reports are given out and until we have had chance to go through the test papers to check for any errors. I am sure you will appreciate that this is quite a time-consuming task!

SPORTS NEWS

What an amazing summer of sport we have had so far! We ended last half-term with another hugely successful Fun and Fitness week; the children had a very enjoyable four days taking part in the Sports Carousel (cricket, Skip2bfit, the inflatable obstacle course and street games), House Games, Wheels Day and Sports Day. The children displayed wonderful teamwork and sportsmanship throughout the house competition (dodgeball in KS1 and rounders in KS2) and the eventual winners were the Normans - well done Normans! Likewise, the children were fantastic throughout both the KS1 and KS2 Sports Days; this time it was the Danes that were winners - congratulations Danes!

There have been four inter-school sports competitions in recent weeks. First, the Year 5/6 girls football team performed remarkably and won all their games until losing in the final on penalties. The Year 5 boys five-a-side football team played brilliantly, narrowly missing out on progressing to the finals. Our Year 6 girls cricket team finished a very impressive second. Most recently, our Year 5/6 netball team played unbelievably well, winning five games out of six. Next up, we have the Year 3/4 cricket competition.

Well done to everyone involved - the sporting future of Lanchester EP is certainly looking bright.

Summer Fair

Our very popular summer fair is being held on the final Saturday of term on Saturday 16th July between 11 am and 1 pm. This is always a lovely way to finish the year and is another lovely social event for young and old alike. I am sure that this year's event will be even bigger and better than last year's, bearing in mind that we have not been able to hold it for the last two years!

We have a variety of stalls and activities for the children including fairground rides, penalty shoot game, some new side stalls, tombolas, pick-a-bottle, hot dogs, refreshments, ice creams and (weather permitting) a water slide. We will also have a Ukranian bakery stall filled with delicious pastries and cakes. All we need is some dry, sunny weather!

In addition to all of these, we have our ever popular soak the teacher which the children just love! I am sure the children will thoroughly enjoy the opportunity to get a little revenge on those staff brave (or silly) enough to take part! All money raised goes directly back to helping your children in school and we hope to use it to continue to develop our outdoor area for the children.

Non Uniform Day for the Summer Fair

As always, we are having a non-uniform day when we ask the children to bring in donations for the summer fair in exchange for wearing non-uniform. This non-uniform day will be held on Friday 8th July prior to the summer fair taking place on Saturday 16th July. We ask for any donations that will be suitable to use in the summer fair for prizes or a raffle such as bottles of alcohol, chocolates, toiletries, children's gifts etc. We will of course, remind you and the children nearer the time.

Special Educational Needs

If you are the parent or carer of a child with Special Educational Needs and/or Disabilities (SEND), it can sometimes be difficult to know where to turn for advice and support. School staff are always willing to advise and support on any aspect of SEND, but sometimes you may wish to reach out to other organisations for this, especially for specialist advice.

The Durham SEND Information, Advice and Support Service (SENDIASS) provides confidential and impartial advice for parents and carers of children with SEND. They can be contacted by phone or email and are able to provide a wealth of information about support that is available. Click [here](#) to get a copy of their information leaflet. They also have a very active Facebook page offering lots of helpful tips and advice. Click [here](#) to follow their Facebook page.

Another group that is able to provide advice and support is the Making Changes Together (MCT) group. MCT is the official parent/carer forum for SEND in County Durham, working towards ensuring that the SEND provision is the best that it can be. MCT also has a very active Facebook page filled with advice and tips. Click [here](#) to go to their Facebook page.

MCT are running some online training over the next couple of weeks around emotional wellbeing and anxiety. If you are interested in attending these, please see the information on the leaflet below.

Parent Carer (of children and young people aged 0-25yrs)
TRAINING & Information Sessions

Supporting Children Who Are Anxious
Tuesday 24th May 2022 @ 9.30-11.15am or
Wednesday 6th July 2022 @ 9.30am - 11.15am (both sessions will be the same)

The session will help you to understand what anxiety is and why we experience it. Enable you to recognise the signs that your child is becoming anxious, and develop understanding of how to respond to your child's anxiety. You will also learn strategies to help your child manage their anxiety.

Emotional Wellbeing
Wednesday 22nd June 2022 @ 9.30-11.15am

This session will focus on emotional wellbeing, what it is and how we can improve it for ourselves and our children.

The sessions are aimed at parents of school aged children but parents of younger/older children are very welcome. The sessions will be led by a CAMHS trainer and will run on Microsoft TEAMS

To book places please email tevw.countydurhamcamhstraining@nhs.net
Please state which session/s you would like to attend and give your name, email address and contact number.

End of Year Questionnaires

The link for the end of year questionnaires will be sent towards the end of term. Please give this your due consideration as your opinions do help to influence any changes we make in school. We value your opinions both about what you like about the school and how you think we could improve. We have made changes every year due to comments and suggestions received from yourselves. The link will be sent with your child's end of year school reports so please do take the time to complete it!

It would also be very useful for us if you could complete the Ofsted ParentView. The link is: <https://parentview.ofsted.gov.uk/>

Year 6 Leavers' Services

Our Year 6 children are coming to the end of an era at our school and we try to make their end of term as special as possible. These children have been together as a cohort for 7 years in school and 9 years if you include Nursery – it is a long time and they have been through so much together during their childhood. As they are all transferring to different schools, we really do try to make sure that these last few weeks are very special for them all. During the last week, we have two very special services planned for them.

On Wednesday 20th July at 1p.m. the more formal Leavers' Service takes place, again in All Saints Church. This is a very reflective service led by the children where we make some formal presentations to the children as well as both looking back at their time at our school and looking forward to life in their new schools.

On the final day of term at 10 a.m. on Thursday 21st July, a much more light-hearted assembly is held by the children which is full of humour, fun, laughter and tears! All events complement each other with parents/carers and grandparents keen to attend both. We look forward to seeing you all there. Don't forget your handkerchiefs!

Summer Holiday Club

We are very lucky to be able to once again host LJG Coaching's holiday club, run by Mr Graham and other sports coaches. This will be running on the first day of the summer holiday as well as the first two weeks of the summer holiday, Monday 25th July to Friday 5th August 2022. Please book via the link here: [LJG Coaching Club](#)

The club comprises of a number of different sports games and skills, and is incredibly popular with children as Mr Graham and his fellow coaches bring their sporting expertise to help the children enjoy themselves and get as much out of their time as possible. I know a number of people have already commented that their child enjoyed the club so much that they begged to go back for a second day!

School Holidays - Academic Year 2022 - 2023

Holiday	Closing Date	Date re-open for teaching purposes
School Year Begins		Tuesday 6 th September 2022
October Half Term	Friday 21 st October 2022	Monday 31 st October 2022
