

Lanchester E.P. (Cont.) Primary School & Nursey

A Caring Community Where All Can Flourish

Lanchester EP Primary School Water Day

The weather is set to be lovely this week so on Wednesday 17th July we will be having a water day for all of school, from Nursery to Year 6. Please send your child into school with a swimming kit, towel and a change of clothes in case they get soaked as there will be a water slide set up on the field for the children to use in their class groups. Children may also bring in any water toys they have, such as water pistols and 'super soakers'.

Please also make sure that your child comes to school with sun cream on, as they will be outside most of the day, making the most of the beautiful weather.

Please also remember that it is our non-uniform day on Wednesday as well as our summer barbecue. Tickets will be on sale until Tuesday but we will be unable to sell anymore after that. Thankyou.

What a lovely way to finish the year!
