Churches

In Lanchester we have three churches. The Catholic, the Methodist and the Parish church.

The Catholic Church

The Catholic Church is connected to the smaller school in Lanchester (All Saints). It was built in 1926 so it's quite modern.

The Methodist Church

Lanchester Methodist church is in the middle of Lanchester main street. This church is even more modern with television screens and projectors. Claire and Stewart (two priests from the church) sometimes come in and give us fun worships.

By Year 5

All Saints Parish Church

Our school is mainly linked with the Parish church. Reverend Kalus works and the Parish church and comes into our school with another vicar Reverend Miller. Each year they come into Year 5 to help us with our own Eucharist service. At the end of the year we do a leavers service for Year 6 at the church. We do a Christingle service every year near Christmas where the Year 3's walk carefully around the church with oranges and candles whilst music plays softly in the background. This church is the oldest in Lanchester. It dates right back to the eleven hundreds.

Durham City

Durham Castle

Durham city was founded by a group of monks from Lindisfarne in 995AD. Durham is also famous for mining. The first ever Durham Miners Gala was held in 1871 and remains an annual event. Durham Cathedral was built in 1093AD and remains a centre for Christian worship today. Durham Castle was built by the Normans in the 11 century. It's never been breached! Durham Regatta has been held on the River Wear in Durham since 1834. Durham Regatta is a famous rowing race.

PUPILS AND SCHOOL RULES

BY YEAR 4Y

STAYING SAFE ONLINE

AT LANCHESTER EP WE FOLLOW OUR 'SMART' RULES WHEN ONLINE. WE DON'T TELL ANYONE OUR PERSONAL INFORMATION, WE DON'T ARRANGE TO MEET ANYONE BECAUSE THEY MIGHT NOT BE WHO THEY SAY THEY ARE AND WE ALWAYS TELL AN ADULT IF THERE IS ANYTHING WE DON'T LIKE.

PUPILS IN OUR SCHOOL

IN OUR SCHOOL WE HAVE 14 CLASSES. WE HAVE CLASSES RANGING FROM NURSERY TO YEAR 6 (AGES 3-11 YEARS OLD). THERE ARE 8 YEAR GROUPS IN OUR SCHOOL. THERE ARE 363 PUPILS WHO ATTEND OUR SCHOOL. EVERYONE WHO JOINS OUR SCHOOL IS MADE VERY WELCOME AND QUICKLY MAKES NEW FRIENDS.

OUR 'GOOD TO BE GREEN' BEHAVIOUR GUIDE

THE GOOD TO BE GREEN IS OUR SCHOOL GUIDE TO BEHAVIOUR AND WHAT HAPPENS IF YOU MAKE BAD CHOICES. IF YOU ARE GOOD AS EVERYONE IS, YOU STAY ON A GREEN CARD. IT IS GOOD TO BE GREEN! A YELLOW CARD IS A WARNING CARD. YOU GET A VERBAL WARNING AND GO TO TIME OUT BASE OVER BREAK. A RED CARD IS MORE SERIOUS AND WILL RESULT IN BEING SENT TO THE HEAD TEACHER AND PARENTS BEING INFORMED.

SCHOOL AND CLASS RULES

WE HAVE SCHOOL RULES AT LANCHESTER TO KEEP US SAFE AND TO MAKE THIS A HAPPY PLACE OF LEARNING. EACH CLASS ALSO HAVE THEIR OWN GOLDEN RULES. SOME EXAMPLES OF OUR RULES ARE: DON'T RUN IN CORRIDORS; RESPECT OTHER PEOPLE AND THEIR BELONGINGS; DON'T SHOUT OUT - PUT YOUR HAND UP!

By Year 4

Buddies

Year 5 have the opportunity to become buddies in our school. If you want to become a buddy then you must attend training sessions with Mrs Coyle because it's such an important job. Buddies have to be willing to give up their own breaks to be there to help others.

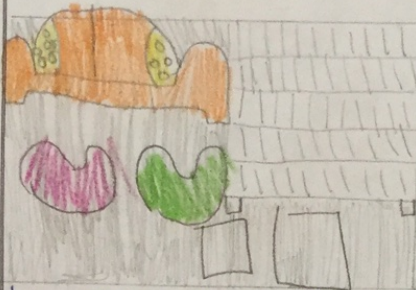

In our yard there is a special bench where children can go and sit if they feel sad and need a friend. A buddy would come and help you in a matter of seconds! Buddies are clearly identifiable because they wear bright yellow bibs and caps.

Be a buddy not a bully!!!

Curriculum and Assessment

BIG MATHS

In Big Maths we do a challenge called: **THE ULTIMATE!!!** We have a **90 second** time limit to answer as many questions out of **72** as possible. We also do a **CLIC Test**. This is where we have **10** questions to answer that test us in a wide variety of calculation methods. These include; the grid method (multiplication) the coin card (division) the number line (subtraction) and stacking numbers (addition).

$$844 \times 91 = 76,804!!$$

Breakfast and After School Clubs

If our parents have to work, from 7:30am we can come to Breakfast Club. After having a delicious breakfast we can enjoy lots of fun activities with our friends.

At After School Club we have a snack and then enjoy a variety of activities and sports. Our parents collect us when they have finished work.

By Year 2

School Council

In our school we have some rather special people who are our school councillors. At the start of the year each class has a vote to decide which boy and girl from their class will be chosen to get this job. They have to meet with Mr Mordue once a fortnight and make decisions on how to make school a great place to be!

School councillors make a presentation to their class on a Thursday and they listen to ideas that their friends have and pass these on to Mr Mordue. Recently the school council set up a new business called 'Get n' Go!' They sell healthy snacks such as popcorn, spicy noodles and apricot crunches. Hopefully this will help us to raise money to buy more playground equipment.

By Year 6

Roman Camp Sleepover

Last year we went to Hadrian's Wall with the rest of the Year 4 class. The first thing we did was we went onto the wall and had a big walk. After that we went back to the wig wams. We had a great time!

PGL Residential

At PGL we do the leap of faith which is when you have to jump as far as you can see you can reach the bar and then you have to hold on until you get right to the other side . . . hardly anyone can do it!

At the disco we all dance like idiots. The girls dress to impress and the boys just wear tracksuits! There's loads of lovely food there in Scotland.

When we all go through the mazes if you do something wrong you get an egg over your head.

By Year 5

The Fun of France

In France we go across the Channel on the ferry to Brittany and go to a French school and learn French whilst we teach them English. We go to a waterpark for a day and stay for six days in total. When we go back we go through a village with a parachute from the World War.

Whole School Walk to Bamburgh

We walk on the sand until we get to the sand dunes and that's where we have our incredibly scrumptious lunch and then we played around on the giant sand dunes and we had so much fun when we do front and back flips on the sand dunes.

We travel up the coast and along the beaches until we get to the lighthouse and then travel up and down the lighthouse and see how how are you can be. When you reach the top of the lighthouse and look out you see a beautiful sun-lit sea.

By Year 5

Centre for Life

Fun activities such as 4D motion ride which was amazing with water spraying at us. The planetarium was also great with a big cinema screen going all the way around the room.

Rugby

Four pitches to play on. Very competitive. Lots of citizenship with other players. Scored many tries. Got into the final and came 2nd place! What an amazing experience playing rugby against lots of different schools.

By Year 2

Fairtrade

We are a fair aware school! Fair trade helps the farmer in hot countries such as Kenya and South Africa.

In the shops all the goods with the fairtrade sticker on, most of that money goes to the farmers like Foncho.

Here is a list of things that could be fairtrade bananas, coffee, chocolate, tea, mangoes, cotton, oranges, leather and wooden goods.

Here are some countries fairtrade farmers work in Mexico, India, Peru and Ethiopia. It helps farmers all over the world!

We know that a product is fair trade because it shows a fair trade symbol. Fairtrade charities don't just develop money for farmers they help build hospitals, schools and other projects. In school we have fairtrade coffee afternoon where we sell fairtrade coffee tea and hot chocolate.
