

## Uniform Supplier Questionnaire

June 2018

We have been very pleased with the service from Moette our new supplier of school uniform this year and to date we have had no complaints about the new products provided by them or the service that they provide themselves.

We are aware that it is you, as parents/carers who have direct experience of both the supplier and the products and so in order to continue to get the best service we can, we would ask that you complete the questionnaire so that we can gain a better picture of the service provided by them.

Thank you for taking the time to complete the questionnaire and we look forward to receiving your responses.
